In previous issues of our newsletter we have been putting in chapters of a book. There are 6 chapters left, and this is too much for this, the last issue we are putting together. We have no idea if anyone has even read any of this (as no one has ever commented) but if anyone wishes to read the rest of the book just drop me an email and I will send it to you. Thankyou all for your support of The Salvation Army USVI. We will miss you all.
